Lead Wool Blankets	Part Number
NPO 1' X 2' (305 X 610 mm) Lead Wool Blanket 10 lb per square foot density (5 g/cm ²), yellow PVC double covered, RF welded seams, standard grommet spacing, handles on long side Approximate Weight: 20 lb (9kg)	L5PHY02122
NPO 1' X 2' (305 X 610 mm) Lead Wool Blanket 15 lb per square foot density (6.8 g/cm ²), yellow PVC double covered, RF welded seams, standard grommet spacing, handles on long side Approximate Weight: 30 lb (14kg)	L5PHY52122
NPO 1' X 3' (305 X 915 mm) Lead Wool Blanket 10 lb per square foot density (5 g/cm ²), yellow PVC double covered, RF welded seams, standard grommet spacing, handles on long side Approximate Weight: 30 lb (14 kg)	L5PHY02123
NPO 1' X 3' (305 X 915 mm) Lead Wool Blanket 15 lb per square foot density (6.8 g/cm ²), yellow PVC double covered, RF welded seams, standard grommet spacing, handles on long side Approximate Weight: 45 lb (20 kg)	L5PHY52123
NPO 1' X 4' (305 X 1220 mm) Lead Wool Blanket 10 lb per square foot density (5 g/cm ²), yellow PVC double covered, RF welded seams, standard grommet spacing, Handles on long side Approximate Weight: 40 lb (18 kg)	L5PHY02124
NPO 1' X 4' (305 X 1220 mm) Lead Wool Blanket 15 lb per square foot density (6.8 g/cm ²), , yellow PVC double covered, RF welded seams, standard grommet spacing, handles on long side Approximate Weight: 60 lb (27 kg)	L5PHY52124
NPO 1' X 5' (305 X 1325 mm) Lead Wool Blanket 10 lb per square foot density (5 g/cm ²), yellow PVC double covered, RF welded seams, standard grommet spacing, handles on long side Approximate Weight: 50 lb (23 kg)	L5PHY02125
NPO 1' X 5' (305 X 1525 mm) Lead Wool Blanket 15 lb per square foot density (6.8 g/cm ²), , yellow PVC double covered, RF welded seams, standard grommet spacing Approximate Weight: 75 lb (34 kg)	L5SHY552125
NPO 1' X 6' (305 X 1830 mm) Lead Wool Blanket 10 lb per square foot density (5 g/cm ²), yellow PVC double covered, RF welded seams, standard grommet spacing, handles on long side Approximate Weight: 60 lb (27 kg)	L5PHY02126
NPO 1' X 6' (305 X 1830 mm) Lead Wool Blanket 15 lb per square foot density (6.8 g/cm ²), , yellow PVC double covered, RF welded seams, standard grommet spacing Approximate Weight: 90 lb (41 kg)	L5SHY552126
